

#GAA Primary Challenges

Supported by

17ú Aibreán, 2020

A Chara,

The GAA, supported by the Cumann na mBunscol and the GPA, are delighted to announce the publication of the first of its weekly **#GAAPrimary Challenges** this weekend on learning.gaa.ie/primary-school - a series of learning & physical activities for children in Primary School, as they return from the Easter break.

During these particularly challenging times for families, the **#GAAPrimary Challenges** are designed to help Teachers and parents to work on the cross-curricular lesson plans with children to meet their learning needs. Gaelic games-themed lessons are across all curriculum subjects and are for children at every class level, based on the GAA Céim ar Aghaidh/Step Ahead resource.

For some fresh air and physical exercise, inter-county stars set Skill Challenges that can be done at on nearby your home. Also, there are fun competitions and prizes.

Click on this video for a brief overview:

Primary Teachers are encouraged to share lesson plans, learning material and ideas by email to gamesdevelopment@gaa.ie or to social media using #GAAPrimary. Stay well and stay safe!

Buíochas,

Pat Culhane – GAA National Games Development Officer
