

# PARENT SUPPORT GROUP (PTA)

---

4th March 2024

Dear Parents,

As we are all too aware, school funding and pressurised budgets are hot topics. While the Government debates funding challenges, our schools face immediate challenges due to reduced financial resources and ever rising costs. At St Peter's Primary School, as always, our first priorities are our pupils and ensuring they have access to the best academic resources available to enhance their learning and development. However, this is again becoming more of a challenge. At present two of our classrooms urgently need replacement Interactive Whiteboards and therefore we will need funding for them.

We are writing this letter to inform you of the reason for fundraising, but also to seek help as together we can work in partnership to encourage a positive way to raise money and secure the best educational experiences for our children.

Your Parent Support Group have set up a Sponsorship Scheme with the hope of raising enough funds to purchase two Interactive Whiteboards. The cost of each digital screen is £3,000, our goal therefore, is to raise £6,000 through individual donations and business sponsorships. Whilst we understand that each family has their own financial commitments we would be indebted to you for your generosity if you were able to take part in this scheme. You would also have the opportunity to leave a lasting legacy at the school. For our 'Top Supporters' only, a plaque with your business logo or family name will be placed on the wall beside the board that you helped to sponsor.

Attached is an information letter on how companies can become sponsors. If you are unable to participate we also need help spreading the word! Please forward the attached information letter to local businesses who you feel may want to donate. A copy is also available on the School App if you wish to email.

If you are unable to participate in the sponsorship scheme but have an alternative way to offer support, please do not hesitate to get in touch.

Your help really does make a difference!

Yours sincerely,

St Peter's Primary School Parent Support Group (PTA)
